

**Jennifer I. Hui, M.D.**  
The Eyelid Institute

**Education**

June 2002                      University of California, San Francisco – *Doctor of Medicine*

March 1998                    University of California, Los Angeles – *Bachelor of Science*  
Microbiology and Molecular Genetics  
Graduated *Summa Cum Laude*

**Postdoctoral education/training**

7/2006 – 7/2008              Bascom Palmer Eye Institute, Miami, FL  
*Fellow* – Ophthalmic Plastic and Reconstructive Surgery/Orbital Oncology

7/2003 – 6/2006              Bascom Palmer Eye Institute, Miami, FL  
*Resident* – Department of Ophthalmology

6/2002 – 6/2003              Scripps Mercy Hospital, San Diego, CA  
*Intern* - Transitional program

**Board Certification**

Medical Certification  
National Board of Medical Examiners

Ophthalmology Specialty Certification  
American Board of Ophthalmology (Nov 2007)  
Active Fellow (appointed Nov 2008)

American College of Surgeons – associate fellow (July 2011)

**Licensure**

California  
Florida

**Academic Appointments**

8/2008 – 12/2011              Assistant Professor of Clinical Ophthalmology  
Division of Ophthalmic Plastic Reconstructive Surgery/Orbital Oncology  
Bascom Palmer Eye Institute  
University of Miami, Miller School of Medicine

6/2009 – present Faculty  
Veterans' Administration Medical Center, Miami

1/2007 – 5/2009 Volunteer Faculty  
Veterans' Administration Medical Center, Miami

7/2006 – 7/2008 Lecturer  
Bascom Palmer Eye Institute  
University of Miami, Miller School of Medicine

### **Hospital Appointment**

Desert Regional Medical Center  
Palm Springs, CA  
October 2011 to present

University of Miami Hospital  
University of Miami, Miller School of Medicine  
3/2011 – 12/Bascom Palmer Eye Institute  
Anne Bates Leach Eye Hospital  
University of Miami, Miller School of Medicine  
7/2006 – 12/2011

University of Miami Hospital and Clinics  
University of Miami, Miller School of Medicine  
7/2006 – 12/2011

Jackson Memorial Hospital  
University of Miami, Miller School of Medicine  
Miami, FL  
7/2006 – 12/2011

Veterans Administration Hospital  
Miami, FL  
1/2007 – 9/2011

### **Honors and Awards**

1998 Phi Beta Kappa, UCLA  
1997 Golden Key National Honor Society, UCLA  
1995 Alpha Lambda Delta Honor Society, UCLA  
Phi Eta Sigma Honor Society, UCLA  
1994 Regents Scholar, UCLA

### **Research**

6/2001 – 6/2002 **University of California, San Francisco – School of Medicine, Department of Ophthalmology.** *Researcher* under Joan O'Brien, M.D. Evaluated anterior chamber sparing proton beam radiation for uveal melanoma. Found that there was a significant decrease in neovascular glaucoma rate with this new method of radiation planning.

- 6/1999 – 9/1999      **University of California, Irvine - School of Medicine, Department of Dermatology. *Researcher*** under Kenneth Linden, M.D., Ph.D. Clinical research on desmoplastic malignant melanoma.
- 9/1995 – 4/1997      **University of California, Los Angeles – School of Medicine, Department of Hematology/Oncology. *Researcher*** under John K. Fraser, Ph.D. Examined engraftment following stem cell transplantation. Specifically, characterized treatment parameters that affect systemic mobilization of the graft in lymphoma patients.

### **Posters**

- November 2006 American Medical Association – Resident/Fellow’s Section. Efficacy of fresh versus reconstituted botulinum toxin in the treatment of wrinkles. Las Vegas, NV.
- November 2007 American Medical Association – Resident/Fellow’s Section. Evisceration for Endophthalmitis in Blind, Painful Eyes. Honolulu, HI.
- November 2008 American Academy of Ophthalmology – Annual Meeting. Empiric Antimicrobial Therapy for Eyelid Infections in the Era of Methicillin Resistant Staphylococcus Aureus.
- October 2009 American Society of Ophthalmic Plastic Reconstructive Surgery - Fall Meeting. Evisceration and Enucleation for Endophthalmitis in Blind, Painful Eyes. San Francisco, CA.
- October 2010 American Society of Ophthalmic Plastic Reconstructive Surgery - Fall Meeting. Comparison of high resolution OCT and ultrasound in evaluation of superficial periocular skin lesions. Chicago, IL.

### **Lectures**

Bascom Palmer Eye Institute Grand Rounds: Leber’s Hereditary Optic Neuropathy  
September 18, 2003.

Bascom Palmer Eye Institute Grand Rounds: Primary Central Nervous System Lymphoma  
December 11, 2003.

Bascom Palmer Eye Institute Grand Rounds: Orbital Lymphoma  
January 22, 2004.

Bascom Palmer Eye Institute Grand Rounds: Intraocular Foreign Body  
May 20, 2004.

Iodine-125 Plaque Brachytherapy in Juxtapapillary Choroidal Melanomas  
Bascom Palmer Eye Institute Alumni Association 40<sup>th</sup> Annual Residents' Days Program  
June 19, 2004.

Bascom Palmer Eye Institute Grand Rounds: Toxoplasmic Papillopathy  
July 22, 2004.

Bascom Palmer Eye Institute Grand Rounds: Progressive Outer Retinal Necrosis  
September 9, 2004.

Bascom Palmer Eye Institute Grand Rounds: Extruded MIRAgel Implant  
January 3, 2005.

Pre-existing Retinal Pathology in Pre-Operative Cataract Surgery Patients: An Optical Coherence  
Tomography Study  
Bascom Palmer Eye Institute Alumni Association 41<sup>st</sup> Annual Residents' Days Program  
June 18, 2005.

Bascom Palmer Eye Institute Grand Rounds: Ectopia Lentis  
July 14, 2005.

Bascom Palmer Eye Institute Grand Rounds: Hydroxychloroquine Retinopathy  
September 15, 2005.

Bascom Palmer Eye Institute Grand Rounds: Talc Retinopathy  
March 9, 2006.

Bascom Palmer Eye Institute Grand Rounds: Orbital Metastatic Malignant Melanoma  
April 13, 2006.

Efficacy of Reconstituted and Stored Botulinum Toxin in the Treatment of Wrinkles  
Bascom Palmer Eye Institute Alumni Association 42<sup>nd</sup> Annual Residents' Days Program  
June 17, 2006.

Orbital Imaging Conference  
Bascom Palmer Eye Institute  
October 3, 2006.

Bascom Palmer Eye Institute Grand Rounds: Orbital PNET (Primitive Neuroectodermal Tumor)  
December 21, 2006.

Orbital Imaging Conference  
Bascom Palmer Eye Institute  
February 6, 2007.

Evisceration for endophthalmitis in blind, painful eyes  
Bascom Palmer Eye Institute Alumni Association 43<sup>rd</sup> Annual Residents' Days Program  
June 22, 2007.

Bascom Palmer Eye Institute Grand Rounds: Orbital Metastatic Breast Cancer  
August 16, 2007.

Orbital Imaging Conference  
Bascom Palmer Eye Institute  
October 2, 2007.

Bascom Palmer Eye Institute Grand Rounds: Intraconal Orbital Abscess  
December 20, 2007.

Orbital Imaging Conference  
Bascom Palmer Eye Institute  
February 5, 2008.

Oculoplastics from the Surgical Perspective  
Operating Room Staff Continuing Education Series  
February 21, 2008.

Dual Intubation in Dacryocystorhinostomy  
Bascom Palmer Eye Institute Alumni Association 44<sup>th</sup> Annual Residents' Days Program  
June 14, 2008.

Inter-American Course in Clinical Ophthalmology  
Periocular Rejuvenation: Upper Eyelid Surgery  
Intercontinental Hotel, Miami, FL  
November 19, 2008

Florida Society of Ophthalmology  
Pediatric Subspecialty Forum: Pediatric Oculoplastics Conundrums  
Hyatt Regency Coconut Point, Bonita Springs, FL  
July 12, 2009

Inter-American Course in Clinical Ophthalmology  
The Tearing Patient  
Hilton Hotel, Miami, FL  
November 4, 2009

Surgical and Non-Surgical Facial Rejuvenation  
Community Lecture: Key Biscayne  
February 13, 2010

Inter-American Course in Clinical Ophthalmology

Primer on Orbital Imaging  
Intercontinental Hotel, Miami, FL  
October 27, 2010

### **Educational Activities**

Contributing test question author for American Board of Ophthalmology written qualifying examination – submitted October 2008

Common Oculoplastics Call Issues  
Resident continuing education lecture series  
Aug 22, 2008

Bascom Palmer Eye Institute Grand Rounds: Frontal Sinus Mucocele  
Faculty discussant for Usha Reddy, MD  
November 20, 2008

Bascom Palmer Eye Institute Grand Rounds: Eyelid Leiomyoma  
Faculty discussant for Nancy Buscher, MD  
March 26, 2009

Facial Rejuvenation Dissection Course  
Facial Plastic & Reconstructive Surgery  
University of Miami  
Mar 28, 2009

The Tearing Patient  
Resident continuing education lecture series  
April 24, 2009

Bascom Palmer Eye Institute Grand Rounds: Congenital Upper Eyelid Eversion  
Faculty discussant for Kara Cavuoto, MD  
June 4, 2009

Bascom Palmer Eye Institute Alumni Association 45<sup>th</sup> Annual Residents' Days Program  
Faculty discussant for Justin Townsend, MD (Evisceration and Enucleation for Endophthalmitis in Blind, Painful Eyes)  
June 19, 2009

Resident Orbital Dissection Course  
Rosensteil Anatomy Lab  
University of Miami Miller School of Medicine  
August 11, 2009  
Provided hands on dissection guidance to the Ophthalmology residents during this cadaver course

Oculoplastics After Hours  
Resident continuing education lecture series  
September 11, 2009

American Society of Ophthalmic Plastic Reconstructive Surgery  
Fall Meeting, San Francisco, CA.  
Evisceration and Enucleation for Endophthalmitis in Blind, Painful Eyes.  
Faculty Discussant for Justin Townsend, MD  
October 22, 2009

Contributing test question author for American Board of Ophthalmology written qualifying examination –  
submitted November 2009

Bascom Palmer Eye Institute Grand Rounds: Orbital Langerhan's Cell Histiocytosis  
Faculty discussant for Maricel Reyes, MD  
December 10, 2009

Resident Oculoplastics Review (annual)  
University of Miami  
January 19, 2010

Eyelid Reconstruction  
Resident continuing education lecture series  
February 26, 2010

Bascom Palmer Eye Institute Grand Rounds: Carotid Cavernous Fistula  
Faculty discussant for Natalie Stanciu, MD  
March 4, 2010

The Tearing Patient  
Resident continuing education lecture series  
May 14, 2010

Bascom Palmer Eye Institute Alumni Association 46<sup>th</sup> Annual Residents' Days Program  
Faculty discussant for Andrea Lora Kessler, MD  
The Efficacy of High Resolution Ultrasound versus Ultra High Resolution Optical Coherence  
Tomography in the Evaluation of Superficial Periocular Skin Lesions  
June 19, 2010

Bascom Palmer Eye Institute Alumni Association 46<sup>th</sup> Annual Residents' Days Program  
Faculty discussant for David Samimi, MD  
Microbiology and Biofilm Growth on Silicone Implants in the Lacrimal System  
June 19, 2010

Oculoplastics ClinicoPathologic Conference  
Resident continuing education lecture series  
August 10, 2010

OCP On Call  
Resident continuing education lecture series  
August 13, 2010

Bascom Palmer Eye Institute Grand Rounds: Bilateral Orbital Basal Cell Carcinoma  
Faculty discussant for Kara Cavuoto, MD

October 7, 2010

Resident Orbital Dissection Course  
Rosensteil Anatomy Lab  
University of Miami Miller School of Medicine  
December 1, 2010

Provided hands on dissection guidance to the Ophthalmology residents during this cadaver course

Bascom Palmer Eye Institute Grand Rounds: Dislocated Punctal Plug  
Faculty discussant for Chad Zatezalo, MD  
December 9, 2010

Oculoplastics Summary  
Resident continuing education lecture series  
March 25, 2011

Management/Evaluation of the Tearing Patient  
Resident continuing education lecture series  
May 13, 2011

Bascom Palmer Eye Institute Alumni Association 47<sup>th</sup> Annual Residents' Days Program  
Faculty discussant for Jonathan Tzu, MD  
Ultra High Resolution Ultrasound Characterization of Levator Aponeurotic Disinsertion  
June 17, 2011

Introduction to Oculoplastics and Minor OR  
Resident continuing education lecture series  
August 12, 2011

Oculoplastics ClinicoPathologic Conference  
Resident continuing education lecture series  
August 23, 2011

### **Editorial Experience**

Color Atlas of Ophthalmology: Oculoplastics, ed David Tse. Bilateral Lower Eyelid Blepharoplasty. November 2009.

Color Atlas of Ophthalmology: Oculoplastics, ed David Tse. Skin Resurfacing. November 2009.

Role of Botulinum Toxin Type A in the Management of Glabellar Rhytids in Adults. Author: Professor McCullough. Journal: Clinical, Cosmetic and Investigational Dermatology. December 2009.

### **Journal Review Experience**

May 2011 – present

Ophthalmic Plastic and Reconstructive Surgery journal

Aug 2010 – present                      Journal of Clinical and Experimental Ophthalmology  
Dec 2009 – present                      Lasers in Medical Science

### **Teaching**

Resident Lecturer. Bascom Palmer Eye Institute. Lectures on oculoplastic, orbital, lacrimal diseases and cosmetic applications in oculoplastics surgery.  
2006 – present.

Principles of Wound Closure: Suturing Web Lab – Instructor  
Bascom Palmer Eye Institute  
August 18, 2006.

Principles of Wound Closure: Suturing Wet Lab – Instructor  
Bascom Palmer Eye Institute  
July 27, 2007.

### **Committees**

Kaleidoscope/EPIC Electronic Medical Records Liason for Oculoplastics. Feb 2010 – Sep 2011.

Residency Education Committee, Bascom Palmer Eye Institute. 2006.

### **Professional Organizations**

American Academy of Ophthalmology  
Florida Society of Ophthalmology  
American Medical Association  
    Resident/Fellow's Section Delegate Nov 2006 meeting, Las Vegas  
    Resident/Fellow's Section Delegate Nov 2007 meeting, Honolulu  
Florida Medical Association  
Riverside County Medical Association  
California Medical Association

### **Community Activities**

1/2005                      **Key West, FL:** Glaucoma screening and education for local residents.  
10/2004 & 10/2003      **Miami, FL:** Glaucoma screening and education for local residents (Little Haiti)  
9/2000 - 10/2000      **Salinas, CA:** Conducted physical exams for high school athletes, team physician at football games, educator in 10<sup>th</sup> grade health classes.  
8/2000 – 10/2000      **Juvenile Hall, Salinas, CA:** Educator. Met weekly with female inmates to discuss health and wellness issues.  
4/2000 & 4/1999      **San Francisco Mission Health Fair:** Provider at fair designed to establish primary care, provide basic healthcare for needy residents of the Mission district.

- 1/2000 - 2/2000      **Juvenile Hall**, San Francisco, CA: Sexual Assault Awareness Group educator.
- 6/1999 – 3/2000      **FoodRunners**, San Francisco, CA: Coordinator for organization that collects surplus food at UCSF eateries and arranges delivery to a local shelter.
- 6/1997 – 9/1997      **Project Literacy**, Placentia, CA.
- 6/1995 – 8/1997      **Volunteer** at UCLA Children’s Hospital, Child Life Program. Responsible for supervising inpatients and monitoring their adjustment to hospitalization. Interacted with patients, families and hospital staff to provide continuity of care.
